## Jeffrey Smith

Executive Director and Co-Founder

### Dear Educators and School Leaders,

We are pleased to announce the upcoming Common Core Boot Camp, taking place on **Saturday, April 4, 2026, at the American International School of Jeddah**. This event marks an important milestone as we host our first Common Core Boot Camp in the Kingdom of Saudi Arabia, and we are honored to partner with AISJ to bring this experience to the region.

Founded in 2019, Common Core Boot Camp has positively impacted thousands of teachers, counselors, and school leaders across the UAE and the wider region. Each year, the Boot Camp delivers practical strategies, innovative approaches, and actionable tools designed to strengthen teaching, learning, and instructional leadership.

Beyond professional learning, Boot Camps are days of empowerment, bringing educators together to collaborate, network, and engage in meaningful dialogue around the evolving needs of schools and students. Participants leave with renewed clarity, confidence, and resources that support individual career growth and whole-school improvement.

We look forward to welcoming educators and schools from across Saudi Arabia and the region to this dynamic and impactful event in Jeddah.

Warm regards,

*Jeffrey Smith*

Common Core Boot Camp**

**Eli Ghazel**  
Academic Director

Dear Education Partners,

I am delighted to invite your educators to the Common Core Boot Camp, a collaborative professional learning opportunity for teachers and school leaders across the region.

This Boot Camp brings together a thriving community of educators and industry experts who share best practices, practical strategies, and support one another in improving student outcomes.

**By participating, your staff will:**

- Connect with peers and expand professional networks
- Share and learn effective instructional approaches
- Gain insights from experienced educators and specialists
- Return with actionable strategies to enhance learning

We would be honored to have your school join this enriching experience. Thank you for considering enrollment for your team.

**Warm regards,**

*Eli Ghazel*

## The Dual-Strand Format

The Common Core Boot Camp features a distinctive Dual-Strand Format designed to support inclusivity, whole-school learning, and personalized professional growth. By offering dedicated strands for educators and school leaders, participants engage in learning that is directly aligned to their roles while remaining connected to a shared vision for school improvement.

This structure encourages meaningful collaboration across roles, ensuring that individual learning translates into cohesive, school-wide impact. The result is a dynamic experience that honors diverse perspectives while uniting participants around common goals and outcomes.

# THE EDUCATORS STRAND

Educators personalize their learning experience through breakout workshops focused on classroom strategies, instructional best practices, and actionable skills.

Participants gain practical tools and pedagogical insights they can apply immediately, supporting both career growth and classroom impact.

By linking individual learning to broader school goals, the strand ensures that personal development contributes to whole-school improvement.

---

## EDUCATOR STREAMS

- Career and College Counseling
- English Language Learners
- Inclusion and Well-being
- Innovation and Technology
- Mastering Common Core Standards
- STEM In Action

# SCHOOL LEADERSHIP STRAND

This strand engages school leaders in whole-group sessions and signature activities that emphasize school-wide strategies, leadership practices, and collaborative problem-solving.

Participants explore systems, policies, and approaches that strengthen instructional alignment and improve student outcomes across the entire school.

By focusing on leadership and organizational effectiveness, this strand ensures that individual educator growth is amplified through systemic, school-wide impact.

---

## SCHOOL LEADERSHIP STREAMS

- Strategic Leadership and School Growth
- Culture, Inclusion, and Community Engagement
- Instructional Leadership and Teacher Development
- Data-Driven Decision Making and Assessment Leadership

# ARRAY GLOBAL ACCREDITATION

Array Global is proud to serve as the accreditation body for Copperstone Education and to support high-quality professional learning across international education. In recognition of the academic rigor and professional relevance of this event, Array Global is pleased to award 8 hours of Continuing Professional Development (CPD) or Continuing Education Units (CEUs) to Common Core Boot Camp participants who attend both instructional sessions and the panel discussion.

## PROUD SPONSOR

At Array Global, we are deeply committed to advancing school improvement through meaningful, high-quality professional learning. Our partnership with Copperstone Education and the Common Core Boot Camp reflects a shared vision to empower educators with practical, research-based strategies that lead to lasting impact. Together, we are excited to support schools across the region as they strengthen instruction, leadership, and student outcomes.

**Dr. Jacob Francom**  
Executive Director, Array Global

# Important Dates and Registration Information

## School Group Registration Deadline

**March 14, 2026**
