Dear Potential Partner,

The Common Core Boot Camp is dedicated to empowering educators through practical, high-impact professional learning in a collaborative and welcoming environment. Our events bring together teachers and school leaders who are actively shaping teaching and learning in their schools.

Sponsoring the Common Core Boot Camp offers a unique opportunity to position your brand as a trusted supporter of educators while gaining meaningful access to a highly engaged community of decision-makers. Our model fosters authentic connection and dialogue—creating space for relationships that extend well beyond the event.

We would welcome the opportunity to partner with you in supporting educators and advancing impactful learning experiences.

EVENT OVERVIEW

Common Core Boot Camp: Learning in Motion is a one-day leadership event designed exclusively for middle and senior school leaders. Taking place on Saturday, April 4, 2026, at American International School of Jeddah, the program brings together education leaders for a dynamic exchange of strategies, tools, and practices that drive school-wide improvement.

With sessions focused on enhancing performance, building efficiency, and equipping teams with actionable resources, participants will leave with both inspiration and practical skills. The theme Learning in Motion reflects the forward-looking, hands-on approach of the event—empowering leaders not only to adapt to change but to create it. This is more than professional development; it's a catalyst for transformation across schools and communities.

AFTERNOON AGENDA

1:45 – 2:45	Workshop Session Two
3:00-3:30	Closing Ceremonies

The Common Core Boot Camp agenda is designed as a full day of learning, collaboration, and professional empowerment for educators and school leaders. Through engaging workshops, thought-provoking sessions, and meaningful dialogue, participants gain practical strategies they can immediately apply in their classrooms and schools. The day fosters shared learning, fresh perspectives, and renewed confidence to drive positive change across entire school communities.

EDUCATOR WORKSHOPS

Teachers will gain practical, ready-to-use strategies in just one hour, empowering them to engage students more effectively and boost learning outcomes immediately. Each workshop delivers actionable insights that teachers can apply in their classrooms the very next day.

LEADERSHIP WORKSHOPS

School leaders will gain strategic insights and actionable frameworks to enhance curriculum implementation, teacher effectiveness, and student outcomes. Each workshop equips leaders with practical tools to drive school-wide improvement and foster a culture of academic excellence.

BOOT CAMP ACTIVITIES

LUNCH AND LEARN

The Lunch and Learn Sessions provide sponsors with a dynamic platform to showcase their products and solutions through live demos and interactive discussions. In this collaborative setting, school leaders engage directly with sponsors, creating meaningful connections while exploring practical resources to drive school improvement.

BOOT CAMP CHALLENGE

Boot Camp Connect is a high-energy, one-hour, whole-group experience designed to bring all participants together in a powerful shared learning moment. Led by world-class facilitators, this interactive team-building session moves beyond traditional breakout workshops to foster collaboration, reflection, and collective problem-solving.

SPONSORSHIP PACKAGES

PRINCIPAL SPONSOR

As the primary sponsor of the Common Core Boot Camp, the Principal Sponsor serves as the driving force behind the event, gaining exclusive branding, prominent visibility, and strategic engagement with school leaders and educators. Beyond their financial contribution, Principal Sponsors assume stakeholder-level status, actively participating in the event's planning and execution to help shape its success and impact. This tier provides maximum exposure and positions the sponsor as a trusted leader in the education community.

GOLD SPONSOR

Event Sponsors play a key role in supporting the success of the Common Core Boot Camp, receiving high visibility across event materials and activities while actively engaging with educators. This level provides direct exposure to school leaders through the exclusive networking reception and the virtual post-event Common Core Boot Camp meet-up. Event Sponsors are valued members of the Boot Camp Committee, contributing to the planning and shaping of the event, and demonstrating a strong commitment to advancing the education community.

\$4000

SILVER SPONSOR

Contributing Partners support schools by purchasing a block of 15 registration tickets to be donated to a school of their choice, ensuring more educators can access the benefits of the Common Core Boot Camp. In recognition of their generosity, Contributing Partners' purchased badges will have their logos printed on the backs of them. They will also get visibility throughout the Common Core Boot Camp public relations campaign, highlighting their role in empowering teachers and strengthening the education community.

One of a kind!

Mr. Eli's session was an incredibly valuable experience. It provided deep insights into why ELL students face significant challenges and how we can support them effectively. The session was highly engaging, featuring numerous hands-on activities, each followed by constructive feedback.

Amazing session with Ms Vanessa

As intriguing was the topic of her session (teaching 25 vocabulary items), equally captivating and interesting was the session. I look forward to implementing all that is learnt in these sessions...

Informative Sessions

The Common Core Bootcamp provided valuable insights into conceptual teaching, differentiation, and MAP-aligned strategies. I appreciated the focus on higher-order questioning and scaffolding, which will help me better support diverse learners.

Thank you so much for the brilliant experiences. Actually going through these strategies as students really opened our minds to understand things at the level of students. I am glad, I came! All three sessions gave me strategies I'm excited to use next week!
